Cotton Candy

EMI MARIA

(Shaggy 2 Dope)
My name is Shaggy
But some call me Shaggy Balls
'cause you can me my ball sac
Hangin out my drawls
I wear short shorts
Bitches stop and stare
Later on you see me partin through the Cotton hair
I meet a bitch
I always gotta check and ask
"How many corndogs been to the Cotton patch?"
And when I fuck bitches ask what i'm tryin to do
My nuts is people so i try and stuff em in there too
Cotton Candy is wasn't made for the mouth
Don't believe me just take a look down South
Rottin Candy is what you'll find with out a doubt
I stick my wang in the Cotton hole and then I'm out
Jump Steady, Rude Boy, and Nate the Mack
They huntin Cotton
And Shaggy Shaggs knows where it's at
So don't be stingy
There's more than one Wicked Clown
And bitch you got enough Cotton here to go around
Now some bitches wanna go and shave they Cotton off
Straight to the Candy
I'm wit it
I won't get lost
That's why I bring da clippers wit me
They comin in handy
When you fuckin round wit the Cotton Candy
(Chorus) x2
HHHHHHEEEEEEYYYYY Cotton Candy
Yeah Hey Hey
Cotton Candy don't get wet until it's in yo mouth she told me

(Violent J)
My name is J
The kids call me Jiggy pants
'cause I can play the flute

And make my dick start ta dance
Like a snake I make it shake, rattle, and roll
And this year my balls made it to the Cotton Bowl
Unlike Shaggy
He scared of the Cotton Pie
I ate so much Cotton Candy
I got pink eye
I can remember the first time I had a taste
She pulled her panties down
And shoved her Cotton in my face
I said "Your daddy's home"
She said "So fuckin what"
I tried to take my ding-a-ling and stick it in her butt
I tried to push it in
I couldn't turn it out
She said "Cotton Candy don't get wet until it's in yo mouth"
OH SHIT!
So what was I ta do
Run like a bitch
Or have the Cotton Stew
I thought for a second
Then I said "What The Fuck!"
I ate so much Cotton that my tounge came out her butt
BBBBWWWW Bitch
I'll have another bowl
My boys had to come and get me
'cause I lost control
On the way home I had a new attitude
I'm like
"Hey let's go eat some more pussy dude"
(repeat chorus)
