Let Me Be The One
Blessid Union of Souls
Album: HomeSo you're scared, to show your feelings
Baby, I do understand
Well, I don't make a promise I can't keep
And I vow to be a real good friend
In those big green eyes I see a glow of love
I just hope that I'm the one you're dreaming of1-Let me be the one to love you
Let me be the one to care
Let me be the one to light your flame
Oh, baby, oh, baby, let me be the oneWe spend all our time together
We can't stand to sleep alone
When you say you have to leave for now
I miss you before you're gone2-All along we thought this was absurd
Every moment that we spend goes by too fast
Darling, darling take this chance with me
'Cause I have eyes only for you
Oh, baby
(rpt 1, 1)Don't be scared to show your feelings
'Cause, baby, I do understand
I don't make no promises that I can't keep
And I vow to be a real good man
(rpt 2, 1)Tonight, tonight, tonight
Oh, let me be the one
'Cause I love, I love, I love, I love you, babySource: CC from the Conan O'Brian show (Sep. 6)
