No Matter What

Jeremy Camp

I know that every time
I find the one thing that holds me back inside
I want to tear apart
And bring my selfish pleasures at Your feet'Coz every part of me is an offering
I will set forth and lay it down at Your throne now
Because I live for You aloneNo matter what it takes, I will offer
Everything I am, I give to You
Even unto death, I will follow
No matter what the price, I will give to You nowI wont throw this time, I have inside
You're the very prize I have in sight
Youve placed this purpose down in me
And it burns so deepLet this life I lead, bring You all the glory
Im entrusted with a gift that I cant hide
Revive my heart, revive my mindNo matter what it takes, I will offer
Everything I am, I give to You
Even unto death, I will follow
No matter what the price, I will give to You nowI will give to You now
To live is to really die
I will keep this steady pace
Until that final dayNo matter what it takes, I will offer
Everything I am, I give to You
Even unto death, I will follow
No matter what the price, I will give to You nowNo matter what it takes, I will offer
Everything I am, I give to You
Even unto death, I will follow
No matter what the price, I will give to You now
I will give to You now, I will give to You now
