

# Mr. Brown

Bob Marley

(Who-oo-oo-oo is Mr Brown?)  
Mr Brown is a clown who rides through town in a coffin  
(Where he be found?)  
In the coffin where there is  
Three crows on top and two is laughing  
Oh, what a confusion! Ooh, yeah, yeah!  
What a botheration! Ooh, now, now! Who is Mr Brown? I wanna know now!  
He is nowhere to be found  
From Mandeville to Slygenville, coffin runnin' around,  
Upsetting, upsetting, upsetting the town,  
Asking for Mr Brown  
From Mandeville to Slygenville, coffin runnin' around,  
Upsetting, upsetting, upsetting the town,  
Asking for Mr Brown  
I wanna know who (is Mr Brown)?  
Is Mr Brown controlled by remote? O-o-oh, calling duppy conqueror,  
I'm the ghost-catcher!  
This is your chance, oh big, big Bill bull-bucka,  
Take your chance! Prove yourself! Oh, yeah! Down in parade  
People runnin like a masquerade  
The police make a raid,  
But the - oh, yeah, yeah, yeah, yeah, yeah  
The thing get fade What a thing in town  
Crows chauffeur-driven around,  
Skankin' as if they had never known  
The man they call "Mr Brown" I can't tell you where he's from now  
From Mandeville to Slygenville, coffin runnin' around,  
Upsetting, upsetting, upsetting the town,  
Asking for Mr Brown  
From Mandeville to Slygenville
