

# True Love

## Mighty Mystic

Sing Say True love is all that I ask for  
I don't need no snake in the pasture  
Real love is all that I'm searching forrrrr...I need a girl like you for a guy like me  
Who knows the law who don't roam and cheat  
Is it you girl be true girl You can share my bed room wid me  
You can be the sugar in my coffee  
We can rock the night away  
Under the Staaaaarrrs Yeah Together we can make sweet music  
Just keep it tight and juicy  
You can be the queen girl of my heaaaaarrrrt.  
Yeah  
True love is all that I ask for  
I don't need no snake in the pasture  
Real love is all that I'm searching forrrrr...I need a girl like you for a guy like me  
Who knows the law who don't roam and cheat  
Is it you girl be true girl I don't need no fake no I don't need no fake  
I just want a girl who'll be there for me  
When the pressure comes she don't crack and break  
And she holds me down she's my everything That's why me rate Lauren  
She is the girl of my dreams  
She give me all I need that's why me spend off me greens  
You no hear me scream!! True love is all that I ask for  
I don't need no snake in the pasture  
Real love is all that I'm searching forrrrr...  
I need a girl like you for a guy like me  
Who knows the law who don't roam and cheat  
Is it you girl be true girl Loving wey she want loving wey she get  
Loving in the morning before she leff  
Loving at night right in a love she step  
I'm the architect!! If you with me put your hands up  
Loving is the answer  
My love conscious  
Don pan di campus! True love is all that I ask for  
I don't need no snake in the pasture
