I Ain't Thru

Keyshia Cole

See, ain't nobody iller than me
And I ain't being cocky, I'm just saying
It's time for me to do me, time for me to live my life
And I ain't worried bout y'all, all you hating ass broads
With your hating ass fits
Hating ass diss, hating ass lips
So give me my elbow room
It's time for me to come through
I'm shining like my diamonds, shining like my purse
Shining like my shoes
See I've been here on my grind, getting mine
And I ain't through
I ain't through
I'ma, I'ma, I'ma live it up
I'ma, I'ma, I'ma do it up
I ain't through
I'ma, I'ma, I'ma live it up
I'ma, I'ma, I'ma do it up
Bad bitch central, check my credentials
Motherfucking right it's Nicki on the intro
And I'm even bitchier when I'm on my menstrual
You ain't even got a credit card for incidental
Basic insurance and it don't include dental
Dental, dental, yes bitch I am mental
Plus I'm in the big boy and it's not a rental
Shit ain't sweet unless it's the Presidential
You a mutt, tell her quack, quack
She a motherfucking duck, duck, goose
She a Saturday Night Live spoof
One thing the coupe never got, roof
Yeah, I took the spot she gone, poof
Me and KC, deuce
Stay fly, you can call me, have a safe flight
And my wrist froze, stage fright
I ain't through
I'ma, I'ma, I'ma live it up
I'ma, I'ma, I'ma do it up
Can you feel me?
I ain't through

I'ma, I'ma, I'ma live it up
I'ma, I'ma, I'ma do it up
Would you say I'm the baddest right here?
About to take over, yeah, this is my year
Coming and I ain't gonna stop this here
And ain't nobody iller than me
I'm on one and I ain't gon' stop
I ain't gon' stop 'til I reach the top
Say it if you know what I'm talking about
Let's get this money, let's get this money, yeah
So give me my elbow room, it's time for me to come through
I'm shining like my diamonds, shining like my purse
Shining like my shoes
See I've been here on my grind, getting mine
And I ain't through
I ain't through
I'ma, I'ma, I'ma live it up
I'ma, I'ma, I'ma do it up
Can you feel me?
I ain't through
I'ma, I'ma, I'ma live it up
I'ma, I'ma, I'ma do it up
I ain't through
(I go, I go, I go, I go harder)
I'ma, I'ma, I'ma live it up
(I go, I go, I go, I go harder)
I'ma, I'ma, I'ma do it up
I ain't through
(I'ma, I'ma, I'ma live it up)
KC, Nicki Minaj, fuck y'all wack bitches
(I'ma, I'ma, I'ma live it up)
Old ass bitches
