

# Got Me One (good Man)

Keke Wyatt

Never had one always wanted one good man  
Just like every girl around the world wants a good man  
So we hold on cos we know hes out there  
Taking so long but I know hes out there

Seems like every man I talk to me  
Don't know nothing bout nothing  
I don't mind being from the streets  
But he gotta treat me like something  
But now its all good  
Everything's all good

I finally got me one  
Found the special one  
Thought I'd never find  
Search my whole life for  
Someone who needs me as much as I need them  
And someone who treats me as good as I treat them  
So I'm gone keep this one  
I'm telling you he loves me  
He loves me oh  
Finally got me one

I be fussing I be trippin' on this good man  
But then I catch myself cos I know he is a good man  
He don't boss much but he boss up when he got to  
I don't cost much but he when he got to yeah

Now every time my girls talk to me  
I don't gotta worry bout nothing  
I don't mind him begin from the streets  
Cos he only treat me like something  
And its so good  
It feels so good  
Everything's all good

I finally got me one (finally done got me one)  
Found that special one (oh so special)  
Thought id never find (oh)  
Search my whole life for (for)

Someone who needs me (needs me yeah)  
As much as I need them (need them)  
And someone who treats me as good as I treat them  
So I'm gone keep this one (this one)  
I'm telling you he loves me  
He loves me oh

So now I (I) wont (wont)  
Have to search no more  
(I ain't gonna search anymore)  
Baby cos he (he yeah)  
Is everything I'm looking for  
You know how to love me  
You know how to lay it down  
Every time I need it  
Its a celebration deep appreciation  
Oh let me tell you its so good oh

I finally got me one  
Found that special one  
(got me one, got me one, got me one)  
Thought id never find (I'd never find)  
Search my whole life for  
(search my whole life for yeah, yeah, yeah)  
Someone who needs me as much as I need them  
And someone who treats me as good as I treat them  
So I'm gone keep this one (I'm gonna keep this one)  
I'm telling you he loves me (loves me)  
He loves me oh (oh)  
Finally got me one (got me one yeah)
