

Girlfriend

Harry Nilsson

People let me tell about the girlfriend
She's a warm hearted woman who love me till the end
People let me tell about the girlfriend
She's a one boy cuddle toy my up, my down, my pride and joy
People let me tell about the girlfriend
Whether you like it or not there's a lot to be learned
By the boyfriend about the girlfriend
People let me tell about her she's so fine
Well on a warm Sunday morning
It nothing could be better than a girlfriend
People let me tell about the girlfriend
She's a warm hearted woman who love me till the end
People let me tell about the girlfriend
People let me tell about her she's so fine
But on a warm Sunday morning just to walk and blur your mind
Girlfriend, she's a girlfriend
People let me tell about the girlfriend
She's a warm hearted woman who love me till the end
