

# Kiss From A Rose

## Triniti

There used to be a graying tower alone on the sea  
You became the light on the dark side of me  
Love remained a drug that's the high and not the pill  
Did you know that when it snows my eyes become  
Large and the light that you shine can be seen?

Baby, I compare you to a kiss from a rose on the gray  
Ooh, the more I get of you the stranger it feels, yeah  
Now that your rose is in bloom  
A light hits the gloom on the gray

There is so much a man can tell you, so much he can say  
You remain my power, my pleasure, my pain, baby  
To me you're like a growing addiction that I can't deny  
Won't you tell me is it healthy, babe?  
Did you know that when it snows my eyes become  
Large and the light that you shine can be seen?

Baby, I compare you to a kiss from a rose on the gray  
Ooh, the more I get of you the stranger it feels, yeah  
Now that your rose is, is in bloom  
A light hits the gloom on the gray

I've been kissed by a rose on the gray

There is so much a man can tell you, so much he can say  
You remain my power, my pleasure, my pain, baby  
To me you're like a growing addiction that I can't deny  
Won't you tell me is it healthy, babe?  
Did you know that when it snows my eyes become  
Large and the light that you shine can be seen?

Baby, I compare you to a kiss from a rose on the gray  
Ooh, the more I get of you the stranger it feels, yeah  
Now that your rose is, is in bloom  
A light hits the gloom on the gray  
Now that your rose is, is in bloom  
A light hits the gloom on the gray
