

# Bad Blood

## Bastille

We were young and drinking in the park  
There was nowhere else to go  
And you said you always had my back  
Oh but how were we to know That these are the days that bind you together, forever  
And these little things define you forever, forever All this bad blood here, won't you let it dry?  
It's been cold for years, won't you let it lie? If we're only ever looking back  
We will drive ourselves insane  
As the friendship goes resentment grows  
We will walk our different ways But those are the days that bind us together, forever  
And those little things define us forever, forever All this bad blood here, won't you let it dry?  
It's been cold for years, won't you let it lie? And I don't wanna hear about the bad blood anymore  
I don't wanna hear you talk about it anymore  
I don't wanna hear about the bad blood anymore  
I don't wanna hear you talk about it anymore All this bad blood here, won't you let it dry?  
It's been cold for years, won't you let it lie?
