

# Tarzan And Jane

## Sparks

There's a riot in Room 42  
It was chemistry, now it's a zoo  
And they kicked out the teacher, Miss Prune  
Tuned the heat up to one hundred two  
Tarzan and Jane  
Tarzan and Jane  
Now they're ripping their shirts and their tights  
Now they're swinging from fluorescent lights  
Look at Bob, he was getting straight A's  
Who's he carrying 'round on his face?  
Tarzan and Jane  
Tarzan and Jane  
Now they've called in the men wearing blue  
There's a cameraman from Channel 2  
On the news at 11 does Edgar Rice Burroughs  
Get royalties on local news  
Tarzan and Jane  
Tarzan and Jane  
Well, tomorrow at 7:04  
As the principal says, "Shut the door"  
They'll be 25 Tarzans and 25 Janes  
And a chimp from Zoology 4  
Tarzan and Jane  
Tarzan and Jane  
Tarzan and Jane  
Tarzan and Jane  
Tarzan and Jane  
Tarzan and Jane  
Tarzan and Jane  
Tarzan and Jane
