Devil's Nightmare

Oxide & Neutrino

I can be evil, I can be good But I don't know if I really should Be evil to those jealous That want to try and intimidate meDare you step into my land Come imitate me like a foolish man Enter your dreams like Freddy Krueger Rip out ya brains, the dark intruderHell raiser another dimension Terrorize ya soul, now that's my intention Vampire Count Dracula, bite your neck Who hahaHunt you down I come tear out your heart Werewolf I'm coming in dark Zombified now mummification, you'll be If you mess with my patienceI can be evil, I can be good But I don't know if I really should Be evil to those jealous MC's That want to try and intimidate meDare you step into my land Come imitate me like a foolish man Enter your dreams like Freddy Krueger Rip out ya brains, the dark intruderHell raiser another dimension Terrorize ya soul, now that's my intention Vampire Count Dracula, bite your neck Who hahaHunt you down I come tear out your heart Werewolf I'm coming in dark
