

Chelsea

The Summer Set

Let's take this back two thousand five
Drinks are pouring, girls so fine
So many dimes, got dollars signs
And there she goes right on the spot
Got a taste so sweet I swear this beat
Will make you wanna dropShe wears a new dress everyday
No, she won't stop making the crowd scream
I can't hear anything, but hey, hey
It's Miss L.A. again, againChelsea, Chelsea, tell me you love me
Chelsea, Chelsea, are you feeling me now?
Chelsea, Chelsea, I think it's 'bout time
We get down, get down, I want moreI wrote her a song
Not Delilah, not Kelsey
Had 'em both in my palm
But I dropped them for ChelseaHey, hey, what'd you say
You've been looking good today
Let's go around town
I'll tell the girls that I'm takenChelsea, Chelsea, tell me you love me
Chelsea, Chelsea, are you feeling me now?
Chelsea, Chelsea, I think it's 'bout time
We get down, get down
There ain't no stopping us now
Get down, get down, I want moreAnd if it's worth your time, I've got ten digits
I'd like you to find
But no, I won't get that call
You've got so much to give
I've got nothing at allChelsea, Chelsea, tell me you love me
Chelsea, Chelsea, are you feeling me now?
Chelsea, Chelsea, I think it's 'bout time
We get down, get down
There ain't no stopping us now
Get down, get down, I want moreChelsea, Chelsea, tell me you love me
Chelsea, Chelsea, are you feeling me now?
Chelsea, Chelsea, I think it's 'bout time
We get down, get down
There ain't no stopping us nowChelsea, Chelsea, tell me you love me
Chelsea, Chelsea, are you feeling me now?
Chelsea, Chelsea, I think it's 'bout time
We get down, get down

There ain't no stopping us now
Get down, get down, I want more
