Chelsea

The Summer Set

Let's take this back two thousand five

Drinks are pouring, girls so fine

So many dimes, got dollars signs

And there she goes right on the spot

Got a taste so sweet I swear this beat

Will make you wanna dropShe wears a new dress everyday

No, she won't stop making the crowd scream

I can't hear anything, but hey, hey

It's Miss L.A. again, againChelsea, Chelsea, tell me you love me

Chelsea, Chelsea, are you feeling me now?

Chelsea, Chelsea, I think it's 'bout time

We get down, get down, I want moreI wrote her a song

Not Delilah, not Kelsey

Had 'em both in my palm

But I dropped them for ChelseaHey, hey, what'd you say

You've been looking good today

Let's go around town

I'll tell the girls that I'm takenChelsea, Chelsea, tell me you love me

Chelsea, Chelsea, are you feeling me now?

Chelsea, Chelsea, I think it's 'bout time

We get down, get down

There ain't no stopping us now

Get down, get down, I want moreAnd if it's worth your time, I've got ten digits

I'd like you to find

But no, I won't get that call

You've got so much to give

I've got nothing at allChelsea, Chelsea, tell me you love me

Chelsea, Chelsea, are you feeling me now?

Chelsea, Chelsea, I think it's 'bout time

We get down, get down

There ain't no stopping us now

Get down, get down, I want moreChelsea, Chelsea, tell me you love me

Chelsea, Chelsea, are you feeling me now?

Chelsea, Chelsea, I think it's 'bout time

We get down, get down

There ain't no stopping us nowChelsea, Chelsea, tell me you love me

Chelsea, Chelsea, are you feeling me now?

Chelsea, Chelsea, I think it's 'bout time

We get down, get down

There ain't no stopping us now Get down, get down, I want more
