

Blues Power

Eric Clapton

Bet you didn't think I knew how to rock 'n' roll
Oh, I got the boogie-woogie right down in my very soul
There ain't no need for me to be a wallflower
'Cause now I'm living on blues power I knew all the time but now I'm gonna let you know
I'm gonna keep on rocking, no matter if it's fast or slow
Ain't gonna stop until the twenty-fifth hour
'Cause now I'm living on blues power Bet you didn't think I knew how to rock 'n' roll
Oh, I got the boogie-woogie right down in my very soul
There ain't no need for me to be a wallflower
'Cause now I'm living on blues power, yeah, yeah Talking to you, now, the boogie's gonna pull me through
Keep on, keep on, keep on, yeah, keep on
Keeping it on, keep on, keep on
Keeping it on, keep on, keeping it on
