

Viva la revolution

Alisa

 Into the dungeon with evil men
 The people have risen we're free again
 Come out of the closet
 Come out of the hole
 Come out of the woodwork
 Come into the fold
 Rebels and fighters, a license to kill
 Unite with the bandits down from the hills
 Open your windows
 Open your doors
 Open your minds
 To a freedom of thought
 Viva la revolution, viva la revolution
 Viva la revolution, viva la revolution
 Raise our voices, raise our flag
 Smash the symbols of the life we've had
 Long live the people
 Long live the scheme
 Long live our hopes
 Long live the dream
 Dance in the streets at the carnival
 Celebrate the victory now
 Drink the wine from the rich man's cask
 This revolution won't be the last
 Viva la revolution, viva la revolution
 Viva la revolution, viva la revolution
