

# Russian Girl

## Saigon Kick

Russian girl you came to me  
You are my whole entire world  
You talked me down from high above  
And suddenly took me by the hand  
Russian girl, stay with me  
You lay me down upon the sand  
And sing a song into the night  
Your eyes so green, I drink them in  
And they fill my deepest need  
Russian girl, stay with me I dont mind if we dont speak a word  
We dont have to talk about it anyway  
I just want to be the only one  
Let me stay awhile please  
Let me stay awhile  
Russian girl You promised love and I fall down  
Proposition me my girl  
Stranger still, I cant resist  
Youre simply overtaken me  
Russian girl  
Stay with me
