Rollin' Over

Small Faces

Goodbye sunshine I'm on my way
I'll be long time gone by the break of day
Tell everyone that I'm gonna find it
There ain't nothin' gonna stop me -
Rollin' Over, Rollin' Over
Save all your lovin' till I get home
To the sweetest lovin' sunshine that I've ever known
Tell everyone that I'm gonna find it
There ain't nothin' gonna stop me -
Rollin' Over, Shak-do-way
Rollin' Over, Yeah-yeah-yeah....
