

# Rollin' Over

## Small Faces

Goodbye sunshine I'm on my way  
I'll be long time gone by the break of day  
Tell everyone that I'm gonna find it  
There ain't nothin' gonna stop me -  
Rollin' Over, Rollin' Over  
Save all your lovin' till I get home  
To the sweetest lovin' sunshine that I've ever known  
Tell everyone that I'm gonna find it  
There ain't nothin' gonna stop me -  
Rollin' Over, Shak-do-way  
Rollin' Over, Yeah-yeah-yeah....
