romeoÂ´s tune

Steve Forbert

Meet me in the middle of the day
Let me hear you say, "Everything's okay"
Bring me southern kisses from your roomMeet me in the middle of the night
Let me hear you say, "Everything's alright"
Let me smell the moon in your perfumeOh, Gods and years will rise and fall
And there's always something more
Lost in talk, I waste my time
And it's all been said before
While further down behind the masquerade
The tears are there
I don't ask for all that much
I just want someone to care
Answer right nowMeet me in the middle of the day
Let me hear you say, "Everything's okay"
Come on out beneath the shining sunMeet me in the middle of the night
Let me hear you say, "Everything's alright"
Sneak on out beneath the stars and run, yeahOh, yeah, yes
Oh, yesIt's king and queen and we must go down 'round
Behind the chandelier
Where I won't have to speak my mind
And you won't have to hear
Shreds of news and after thoughts
And complicated scenes
We'll weather down behind the light
And fade like magazinesMeet me in the middle of the day
Let me hear you say, "Everything's okay"
Bring me southern kisses from your room
Hey, heyMeet me in the middle of the night
Let me hear you say, "Everything's alright"
Let me smell the moon in your perfume
Oh, noMeet me in the middle of the day
Let me hear you say, "Everything's okay"
Let me see you smiling back at me
HeyMeet me in the middle of the night
Let me hear you say, "Everything's alright"
Hold me tight and lovin' love is free
Whoa oh
Okay
