

# Love of a Lifetime

## FireHouse

I guess the time was right for us to say  
We'd take our time and live our lives together day by day  
We'll make a wish and send it on a prayer  
We know our dreams can all come true with love that we can share  
With you I never wonder - will you be there  
for me  
With you I never wonder - you're the right one for me  
I finally found the love of a lifetime  
A love to last my whole life through  
I finally found the love of a lifetime  
Forever in my heart, I finally found the love of a lifetime  
With every kiss our love is like brand-new  
And every star up in the sky was made for me and you  
Still we both know that the road is long  
(But) we know that we will be together because our love is strong
