Tomorrow

Amanda Lear

Vou
Voulez-vous
Un
Rendez-vous
Voulez-vous un rendez-vous
Tomorrow
We could try
To say goodbye
Tomorrow
Don't you know where I come from
Can't you feel love coming on
Where are you, can I see you
Tomorrow
Now I see vous
It was doing me vous
Don't you know that loving feeling vous
In my book of trips see
You're the one I need tomorrow
You're after a fantastic man
Don't you know where I come from Yeah, you're great
Can't you feel love coming on
You're the best
Forget the rest
Tomorrow
Had to wait now I see
So much time you and me
To find you don't you know I'm loving, feeling
I want that thanks
Anyone
Hey you you are fan fantastic

Don't you know where I come from
Can't you feel love coming on
Voulez-vous un rendez-vous
Tomorrow
Voulez-vous un rendez-vous
Tomorrow
We could try
To say goodbye

Tomorrow
Don't you know where I come from
Can't you feel love coming on
Where are you, can I see you
Tomorrow
Voulez-vous un rendez-vous
Tomorrow
You're the best
Forget the rest
Tomorrow
Don't you know where I come from
Can't you feel love coming on
Where are you, can I see you
Tomorrow
