The Writing's on the Wall

Stryper

The truth is right before you
Don't refuse it
No matter what you've been through
He can change it causeHe is our God, Creator of all
Unless you accept Him, you'll continue to fall
The battle is real, on you He will call
So don't ever wait because the writing's on the wallJust look around and
You will see confusion
The God that Stryper serves
Is no delusion causeHe is our God, Creator of all
Unless you accept Him, you'll continue to fall
The battle is real, on you He will call
So don't ever wait because the writing's on the wallDon't wait till tomorrow
Tomorrow's too late (tomorrow's too late)
You've heard the truth so what will you do
Who will you choose?
(Whoa-oh-oh-oh)He is our God, Creator of all
Unless you accept Him, you'll continue to fall
The battle is real, on you He will call
So don't ever wait because the writing's on the wall
