

Lookin' Up Lookin' Down

Shawn Phillips

I keep lookin' down out of my windows at the people below
So slow

I keep lookin' down out of my windows at the people below
Lordy, go slow Sure would like to know what you been thinkin'
But I don't want to know when you been sinkin'
Go slow

Yeah, sure would like to know what you been thinkin'
But I don't want to know when you been sinkin'
Go slow You see yourself in a coffee cup
But you cannot stimulate the future up
Go slow

You see yourself in a coffee cup
But you cannot stimulate the future up
Go slow Every time I'm doin' a number
I'm thinkin' that I see your eyes
I keep crossing over borderlines

Seein' little babies die And even though I'm economizing
I can't keep your high livin' style child
It takes so long to believe it Charlie

But what have you done to your smile I keep lookin' down out of my windows at the people below
So slow

I keep lookin' down out of my windows at the people below
Lordy, so slow The alternative to truth is hypocrisy
If you want to choose the latter you won't never be free
Go slow

The alternative to truth is hypocrisy
If you want to choose the latter you won't never be free
Go slow Ain't no such thing as revolution
It's got another name
It's called evolution
Go slow Ain't no such thing as revolution
It's got another name
It's called evolution

Go slow Part of being free is a state of mind
You just got to learn to leave it all behind
Go slow

Part of being free is a state of mind
You just got to learn to leave it all behind
Go slow
