

Dearborn and Buried

Amenra

one day I awoke
and I saw
the world. that comes from usdearborn. I will remain. a world.
and death comes from my ashes.we were called upon
and awaited a signthere was a fire divineremember us
and you will remain
we all fell
and overcame
bereaved
this is our soil
remember it
and it will remain
dearborn
when ashes reign

remember uswe were the flamenow when will I be wounded enough?
