

Every Breath (Live Acoustic)

Boyce Avenue

It sounds like this is nothing new and that it hasn't been for a while

You wake up on the other side and you strain to force a smile

The fairytale inside your head has become your new best friend

But I can assure you, that I'll be there before the story endsWhen I needed a place to hang my heart

You were there to wear it from the start

And with every breath of me, you'll be the only light I seeI'm racing to the finish line of a lifetime that's barely started

The piece of mind I left behind, I pray you keep in your perfect garden

You waited on a minute hand in the countdown to last for days

But I'm here to tell you, it won't be long before I'm here to stay'Cause when I needed a place to hang my heart

You were there to wear it from the start

And with every breath of me, you'll be the only light I seeThe weightlessness and the lack of rest

Away from you, I'm in over my head

Even when it's dark before the dawn

I will feel your grace and carry on

And with every breath of me, you'll be the only light I seeWhen I needed a place to hang my heart

You were there to wear it from the start

And with every breath of me, you'll be the only light I seeEven when it's dark before the dawn

I will feel your grace and carry on

And with every breath of me, you'll be the only light I see

The only light I see
