English

-

Crash against it three times,
Even if you cry six times
If you overcome five more times,
You can see the end

The more you rush ahead,
You will lose the important things
Give some more time to yourself,
So you can take a breath

Like the sun that always
rises at the same place

3-6-5 Every morning
I start my day
By waking you up
3-6-5 Every 1 minute, 1 second
I will be

With you
woah oh oh oh oh woah oh oh oh
3-6-5 As I hold your hand
woah oh oh oh oh woah oh oh oh
3-6-5 Iâ€™ll never let go

Laugh outloud three times
And listen to six songs
Sleep five hours
And then it wonâ€™t be a big deal anymore

I will keep you safe,
Like a knight of light

3-6-5 I will wield my sword
Only for you,
In front of you
3-6-5 I will live every day
As if Iâ€™m born
Just for you
woah oh oh oh oh woah oh oh oh
3-6-5 So that no pain
woah oh oh oh oh woah oh oh oh
3-6-5 Will come your way

When the fates test you
And bring tears
I will always appear before you
Like a miracle

3-6-5 I will live every day
Just for you,
Standing behind you
3-6-5 As I live each day
As if Iâ€™m born
Just for you
woah oh oh oh oh woah oh oh oh
3-6-5 So that no pain
woah oh oh oh oh woah oh oh oh
3-6-5 Will come your way
3-6-5 I will protect you
