

# Paranormal

## Hoehner

Shadow on my shoulder  
Someone's watching me  
Shadow on my shoulder  
    A lost entity  
    Subtle and silent  
A whisper on the wind  
    Benevolent and quiet  
    Uneasiness sets in  
    Covert and controlling  
    Random acts of fate  
Conscious yet consoling  
    Opportunity's the bait  
    Coincidence, cohesion  
    Right time and place  
    Spirit of believing  
    In that mindspace  
Evidence can only be found within  
Feel the presence under your skin  
Shouldn't fear what you can't see  
    What will be is supposed to be  
    Let the spirit free  
Shadow on your shoulder  
Someone's watching you  
Shadow on your shoulder  
You can't believe it's true  
    Subtle and silent  
    A whisper on the wind  
    Benevolent and quiet  
    Uneasiness within  
Paranormal, paranormal  
    Paranormal  
Paranormal, paranormal  
    Paranormal  
Evidence can only be found within  
Feel the presence under your skin  
Shouldn't fear what you can't see  
    What will be is supposed to be  
    Let the spirit free
