

Big Fat Money

Van Halen

Al, do you want a click on this one?
I don't need no stinkin' click
Two, three, fourSome say money is bad for the soul
Bad for the rock, bad for the roll
Bad for the heart, bad for the brain
Bad for damn near everything
Oh yeah, oh!Hey, it must be good for somethin'
Come on, pay the rentTelephone, telefax, telefuckin' teletrash
Tell a cop, tell a friend, think we hit the stony end
Nothin' left, nothin' right, now they want a bigger bite
Everybody wants some, everybody wants big moneyOh yeah!
They want big, fat money
That's what I want
Big, fat moneyToo much temptation, 'nuff to kill a generation
Space station, starvation, premature ejaculation
This ain't groovy, this ain't funky
It's on my back but it ain't my monkey, no!Oh yeah!
Gimme some of that big, big money
That's what I want
Big, fat moneyBig, big moneyOw! smoke this, eat that, my old lady's gettin' fat
High rise, high rent, before it's earned it's all been spent
Where's it gonna come from?
Who's it gonna go to?
I ain't beatin', but I'm bein' eaten by moneyOh yeah!
Big, big money, ooh
Gimme, gimme, gimme, gimme, gimme
Some o' that big money
Oh yeah!
That's what I wantWell all right
(All right)
Ohh, big, big money
(Money)
Now gimme, gimme, gimme
Some o' that big money
Ooh!
That's what I want
It's all I need
Gimme big, fat money
Yeah, I got a wallet fullGimme, gimme, gimme, gimme

Grab me some o' that big fat money
