

# Valkerie

## PavlovÂ´s Dog

And here you are  
Away from us all  
And all you've got is champagne  
And tea for two  
And so it goes  
On with the show  
And I hope all your dreams come true  
Bring back the good old days  
In time...always in your time  
On and on, cause she's a long hard climb  
Pure of heart cause she's so hard to find  
All he'd lost was given clear and free  
For the love of a Valkerie
