Die Happy

(Music: F. Ferber; Lyrics: Marta Jandov)I never really knew before What you expected from me Standing on a cliff Looking down at your face Maybe I should try to talk about it with you But now , it's too musch I'm packing my stuff And I am leavingNo way I`ll never be your sweet princessI can't even talk to you You've been stealing my words Telling me all the time What I've been doing wrong Forget my life, forget that I'm living In the same town I don't wamma hear about you anymore Now I am leaving
