

Sweet Princess

Die Happy

(Music: F. Ferber; Lyrics: Marta Jandov) I never really knew before What you expected from me Standing on a cliff Looking down at your face Maybe I should try to talk about it with you But now , it's too much I'm packing my stuff And I am leaving No way I'll never be your sweet princess I can't even talk to you You've been stealing my words Telling me all the time What I've been doing wrong Forget my life, forget that I'm living In the same town I don't wanna hear about you anymore Now I am leaving
