

# Always Gonna Love You

Gary Moore

It's not the same  
When I look in her eyes  
The magic's not there  
And when I look, I realize  
What we could have shared I'm always gonna love you  
If loving means forever  
I'm always gonna want you  
I don't think I could ever  
Just forget the love we had It's not the same when  
She's here in my arms  
Or the smile on her face  
And even though with all of her charms  
She can't take your place I'm always gonna love you  
If loving means forever  
I'm always gonna want you  
I don't think I could ever  
Just forget the love we had It's not the same  
When I look in her eyes  
The magic's not there  
And when I look, I realize  
What we could have shared I'm always gonna love you  
If loving means forever  
I'm always gonna want you  
If loving means forever I'm always gonna love you  
If loving means forever  
I'm always gonna want you  
If loving means forever  
I'm always gonna love you
