

Krayzie Bone

(Oh yeah)

Let's pump that bore up
If I could just look up and see po-po dyin' I and I, I'm flippin my mind
Stoned up wit' da gauge, little rip'll put tha donut in the grave
Where they lay, then we play wit' da AK-47, 357, even 187
I gotta gauge and you got a gun But cha better try to get ya weapon out before mine
Shoot 'em in da head, but you make sure they dead
Then da nigga fin da fled, while they layin' in red
Call my OG homies, tell me when the police come you pray
Nigga gotta go, see ya later ho, leatherface gots to get to [unverified]
Stay leatherface got's to get to [unverified] When a nigga wanna try me
Had da heat a wit' da trigger on a nigga
But I really, really get it witcha Hey, Easy, pop, steady murder dem po-po now
I can stay packin' when attackin' po-po, there's really no place to run
Niggas get viscous wit' my clickas
Gotta kill 'em all with my shotgun
Stun blastin' when attackin' po-po, there's really no place to run
Niggas get viscous wit' my clickas, gotta kill 'em all with my shotgun Rollin', rollin', rollin', baby, that's thugs
up into your soul and
You swollen stiff and cold and nigga we watchin' you drop and foldin'
You swollen stiff and cold and nigga we watchin' you drop and foldin' Murder mo, murder mo, murder mo,
murder them all they fall
Murder mo, murder mo, murder mo, murder them all they fall
Murder mo, murder mo, murder mo, murder them all they fall
Murder mo, murder mo, murder mo, murder them all they fall We never knew homie could fuck wit' da tongue
They give us no competition
Who's got the gun, don't fuck wit' number one
We never knew homie could fuck wit' da tongue
They give us no competition
If ya [unverified], feel real, reload da clip
Murder mo, murder mo, murder mo, murder them all they fall, they fall Dear Mr. Oiuja, dear Mr. Oiuja
Dear Mr. Oiuja, dear Mr. Oiuja is it
Many mo murder, murder, mo murder mo, mo
Many mo murder, murder, mo murder mo, mo
Many mo murder, murder, mo murder mo, mo
Many mo murder, murder, mo murder mo, mo
Mo, mo, mo Stalkin' toss 'em, put 'em in a coffin [unverified]
Stalkin' toss 'em, put 'em in a coffin [unverified]
Stalkin' toss 'em, put 'em in a coffin [unverified]
Stalkin' toss 'em, put 'em in a coffin [unverified] Rollin' in da St. Clair way
Wit' a big 12 gauge in da grave they lay
(They lay)
Rollin' in da St. Clair way
Wit' a big 12 gauge in da grave they lay
(They lay) Rollin' in da St. Clair way
Wit' a big 12 gauge in da grave they lay

(They lay)
Rollin' in da St. Clair way
Wit' a big 12 gauge in da grave they lay
(They lay)
