

Love Surgery

GWAR

Yes you are
Your flesh is insignificant...
Still you drag yourself here on bloody stumps I recreate you amputate you
You defile my womb hahahahahahaHowever weak it still appealing
Sights to send senses reeling
To see your nipples stripped from you
Tossed into my human stew[Chorus]
That's why you came to me...
You were begging for love surgery
It's the way - the way its got to be
It's called love surgeryPunks and priest, yeah they're all in there
A beggars bludgeoned with their shinwear
Bubbling cauldron choked with ichor
Well I must think of something sicker[Chorus]Anticipate the nipple rape
Dish is almost done
The child has died, he must be fried
You humans are the same insideNow the cauldron starts to boil I can feel my anus heave
The undergarment start to soil
And now I know its time to leave
When a demi-God blows bloody spermIt does not stop, it starts to worm
And you shall achieve a maggot sponge-hole effect
Oh Scary
