

# Toothpaste Kisses

## The Maccabees

Cradle me, I'll cradle you  
I'll win your heart with a whoop-de-whoop  
Pullin' shapes , just for your eyes  
So with toothpaste kisses, and lines  
I'll be yours and you'll be ..

Lay with me, I'll lay with you  
We'll do the things that lovers do  
Put the stars in our eyes  
And with heart shaped bruises and late night kisses, divine.

So with toothpaste kisses and lines,  
Stay with me, stay with you  
Doing things that lovers do  
What does to do?
