

# Opening: I Can't Turn You Loose

## The Blues Brothers

Good evening ladies and gentlemen and welcome to the Universal Amphitheatre

Well here it is, the late nineteen seventies, going on 1985

You know so much of the music we here today is preprogrammed electronic disco

You never get a chance to hear master bluesmen practicing their craft anymore

By the year 2006 the music known today as the blues will exist only in the classical records department in your  
local public library

So tonight, ladies and gentlemen

While we still can let us welcome from Rock Highland Illinois

The blues music from Elliot Jake and Elwood Blue, the Blues Brothers
