

Take a Heart

The Sorrows

First you take a heart, then you break her heart
But before you do, you make it fall for you
Then you give it back, ahh you shouldn't do that

Seen you walk that floor just a-thinking of you
You seen me walk that floor baby, right out of my school
Somebody help me please, tell me what to do

Just send an S.O.S., my heart's in distress
Won't somebody please take her place
Well I found her there, searching everywhere

Break

Watch you breaking my heart baby

First you take a heart, then you break her heart
But before you do, you make it fall for you
Then you give it back, ahh you shouldn't do that

Seen you walk that floor just a-thinking of you
You seen me walk that floor baby, right out of my school
Somebody help me please, tell me what to do

Send me an S.O.S., my heart's in distress
Won't somebody please take her place
Well I found her there, searching everywhere

Oh you shouldn't do that (oh you shouldn't do that)
Oh you shouldn't do that (oh you shouldn't do that)
Oh you shouldn't do that baby (oh you shouldn't do that)
Oh you shouldn't do that

You know you broke my heart, you made me fall for you
You know you shouldn't do that
You know you shouldn't do that
