

Color Theory (Pleasure Curses Remix)

Tea Leigh & Luke Reed

What do I know?
You can tell to me
You come home now
Keeping record within And I don't think I will ever know
The truth about you
Do you think I ever knew the way
Living without you?
Do you think it'd be better living
With our lover?
We can met up in a moment to
Forget each other
And I don't think I will ever know
The truth about you
Do you think I ever knew the way
Live without you? I do it all the time
I know you said I'm a children
I can't leave you behind I do it all the time
The days we were together
I can't leave you behind (I can't leave you behind) I do it all the time
Do you think it'd be better living
With our lover?
And I don't think I will ever know
The truth about you
Do you think I ever knew the way
Live without you?
