Advisory - the following lyrics contain explicit language:

BSB shit
Troy Ave, Young Lito
Easy as a free throw
Quab be on the beat, though
PowderJust give me that head (just give me that head)
Just give me that head (just give me that head)Ain't got no time to open your legs
Girl, give me that head (girl, give me that head)
Just give me that head (just give me that head)
Just give me that head (just give me that head)Whether on the couch or on the bed
Girl, give me that head
Just give me that head (just give me that head)
Just give me that head (just give me that head)Ain't got no time to open your legs
Just give me that head
Just give me that head (just give me that head)
Just give me that head (just give me that head)
Whether on the couch or on the bed
Girl, give me that headSacrifice your bitch to me
Sacrifice your bitch to me
It ain't your mother, nigga you've got others
Won't you sacrifice your bitch to me?
Sacrifice your bitch to meSacrifice your bitch to me
It ain't your mother, nigga you've got others
Won't you sacrifice your bitch to me?At the club they swarm me
All these bitches be on me
Keep your name, I know the game
I just want some brain like a zombie
No Walking Dead, I don't need no bed
Oh, you're pussy good? I'll take some head
Ain't cuffin' nothin', I'm not a Fed
I'm 'a take you down, or your friend instead
I am not an officer, when I'm done I am tossing ya
To the curb, I know you heard

Now tell your friends, baby spread the word Just give me that head (just give me that head)
Just give me that head (just give me that head) Ain't got no time to open your legs
Girl, give me that head (girl, give me that head)
Just give me that head (just give me that head)
Just give me that head (just give me that head) Whether on the couch or on the bed
Girl, give me that head
Just give me that head (just give me that head)
Just give me that head (just give me that head) Ain't got no time to open your legs
Just give me that head
Just give me that head (just give me that head)
Just give me that head (just give me that head)
Whether on the couch or on the bed
Girl, give me that head I met her at club Lust, she was stripping on the pole
(?)
She said come here, 'cause I know you want to put it on me
And it's time to get fucked up, she said we spendin' all the Henny on me
Shut up shake that booty long as I can spend it on it
Gimme head, but don't put no hickey on it
I got you motherfuckin' feeling like (?)
I walk up out the club with your bitch like I'm fuckin' (?)
A couple hating niggas talking you don't even know me
Go on talk, you motherfuckers phony
Why you cuffin' like the fuckin' police?
She see you coming but she too busy sucking on me
She see I'm balling with my gold teeth and the Rollie
I be running through her mouth like I'm (?) Just give me that head (just give me that head)
Just give me that head (just give me that head) Ain't got no time to open your legs
Girl, give me that head (girl, give me that head)
Just give me that head (just give me that head)
Just give me that head (just give me that head) Whether on the couch or on the bed
Girl, give me that head
Just give me that head (just give me that head)
Just give me that head (just give me that head) Ain't got no time to open your legs
Just give me that head
Just give me that head (just give me that head)
Just give me that head (just give me that head)
Whether on the couch or on the bed
Girl, give me that head Sacrifice your bitch to me
Sacrifice your bitch to me
It ain't your mother, nigga you've got others
Won't you sacrifice your bitch to me?
Sacrifice your bitch to me Sacrifice your bitch to me
It ain't your mother, nigga you've got others
Won't you sacrifice your bitch to me? I just want head in a comfortable bed
It can all be so simple

You fly as a bitch and your body is thick
But girl I want your mental
