

Shelter Me

The Outfield

I wonder how I'd feel
If we made love together
I wonder how I'd feel
Every time we trembled
In each others arms I wonder how I'd feel
If we could spend this night together
I wonder how I'd feel
With your body held against me
All through the night Shelter me
I need you to shelter me I wonder how I'd feel
If our emotions came together
I wonder how I'd feel
If the future was forever
And not just tonight Shelter me, shelter me
I need you to shelter me This time it's not so easy to take
A broken heart can't be replaced
Don't wanna play a waiting game
From the moment we part
I'll be counting the days I wonder how I'd feel
If we made love together
I wonder how I'd feel
Every time we trembled
In each others arms Shelter me, shelter me
I need you to shelter me
Shelter me, shelter me
I need you to shelter me
