

# Happiness (feat. The Teenagers) [Metronomy Remix]

## Goldfrapp

Join our group and you will find  
Harmony and peace of mind  
Make you better  
We're here to welcome you We're all on a journey to  
Finding the real inner you  
Make you better (make you better)  
We're here to welcome you Time stops to whirl  
You've lost life [Chorus]  
Happiness  
How did you get to be  
Happiness  
How did you get to find  
Love, real love  
Love, love, love Footing in the magic world  
Donate all your money we'll  
Make it better (make it better)  
We're here to welcome you We can see a troubled soul  
Give us all your money we'll  
Make it better (make it better)  
We're here to welcome you Time stops to whirl  
You've lost life [Chorus] We'll be swimming in the sea  
Of wisdom and serenity  
Make you better [Chorus: Repeat x4]
