

# Take Another Little Piece Of My Heart

## Dusty Springfield

Didn't I make you feel  
Like you were the only man?  
Didn't I give you everything  
A woman possibly can? But with all the love I give you, it's never enough  
I'm gonna show you baby that a woman can be tough  
So come on, come on, come on, come on (Take it)  
Take another little piece of my heart, now baby  
(Break it)  
Break another little bit of my heart, now honey  
(Have a)  
Have another little piece of my heart now, baby  
You know you've got it if it makes you feel good Yeah, out on the street  
(On the street)  
And you know deep down in your heart  
That ain't right  
I know you never never hear me  
When I cry at night I tell myself that I can't stand the pain  
But when you hold me in your arms I say it again  
So come on come on, come on, come on and (Take it)  
Take another little piece of my heart, now baby  
(Break it)  
Break another little bit of my heart, now honey  
You'd better have a  
Have another little piece of my heart, now baby  
You know you've got it if it makes you feel good You'd better  
(Take it)  
Take another little bit of my heart, now baby  
(Break it)  
Take another little bit of my heart honey, now baby  
You'd better  
(Have a)  
Have another little piece of my heart, now baby  
You'd better, take it  
Take another little bit of my heart, now baby
