

# The Lion's Teeth

## Every Knee Shall Bow

I plunge head first  
into the crushing jaws of my captor  
Teeth dyed crimson by blood  
The maw consumes my body  
I cast virtue aside  
waywardly my spirit wanders  
into the pit of my own despair

red eyes meet my fate

I reside on this platter I offer myself upon  
torn apart by the thorn in my side

gnashing teeth fill me with dread  
I am trapped in this bed I made

Entombed by darkness  
My blood on the floor  
I've let the temptress murder me

My deeds of the night  
never showing their face  
bring me here time and time again

my folly is predictable as time  
I put myself in this place of dread  
for the fleeting taste that will never satisfy

God intervene and take me home  
broken and weary please God take me home  
God intervene and take me home  
My flesh is wicked God please take me home

---
