

Lover Boy

Ronnie Dove

I wanna be your Lover Boy
Well, let me be your boy
I wanna be your Lover Boy

I wanna take you by the hand
I wanna lead you through the land
I wanna be your Lover Boy

Well now, come on and hold me tight
Yes, let me love you tonight
Well now, come on and hold me tight
Well, let me love you tonight
I wanna be your Lover Boy

Well now, come on and hold me tight
Well, let me love you tonight
Well now, come on and hold me tight
Well, let me love you tonight
I wanna be your Lover Boy

Well now, everything's going to be fine
When the preacher says your mine
Well now, everythings going to be fine
When I walk you down the aisle
I wanna be your Lover Boy

I wanna be your Lover Boy
I wanna be your Lover Boy
I wanna be your Lover Boy
