Millersan

Novastar

you want me to believe you've got all you want,
love the love you're in
you say you've seen every side but it don't mean anythingoh I will
always
care for
you Millersan
lay down
with me and
take this craving hand
or get up while youto suffocating for the likes of me
it became what I feared
as you stand before me now
you appear to disappearand I will
always
care for
you Millersan
lay down
with me and
take this craving hand
or get up while you can
take me away,
take me away,
free from everything you say
take me away,
take me away
from he feeling of how we were bound to fallto suffocating for the likes of me,
it became what I feared
as you stand before me now,
you appear to disappearoh I will
always
care for
you Millersan
so lay down
with me and
take this craving hand
or get up while you can
take me away,
take me away,
free from everything you say

take me away,
take me away,
from the feeling of how we were boundI know that you know, I know I know it don't linger on
I know that you know, I know I know it don't linger on
just take me away
take me away
from the feeling of how we were bound to fall
It means nothing at all
nothing at all
nothing at all
