

# Heart of Glass

## The Puppini Sisters

Advisory - the following lyrics contain explicit language:

Once I had a love and it was a gas  
Soon turned out had a heart of glass  
Seemed like the real thing, only to find  
Much of mistrust, love's gone behind  
Once I had a love and it was divine  
Soon found out I was losin' my mind  
It seemed like the real thing but I was so blind  
Much of mistrust, love's gone behind  
In between  
What I find is pleasing and I'm feelin' fine  
Love is so confusing there's no peace of mind  
If I fear I'm losin' you it's just no good  
You teasing like you do  
Once I had a love and it was a gas  
Soon turned out had a heart of glass  
Seemed like the real thing, only to find  
Much of mistrust, love's gone behind  
Lost inside  
Adorable illusion and I cannot hide  
I'm the one you're using, please don't push me aside  
We could-a made it cruising, yeah  
Yeah, ridin' high on love's true bluish light  
Once I had a love and it was a gas  
Soon turned out had a heart of glass  
Seemed like the real thing, only to find  
Much of mistrust, love's gone behind  
In between  
What I find is pleasing and I'm feelin' fine  
Love is so confusing there's no peace of mind  
If I fear I'm losin' you it's just no good  
You teasing like you do  
It's just no good  
You teasing like you do  
It's just no good  
You teasing like you do
