

Shake Appeal

Iggy & The Stooges

Say, shake appeal
Move so fast on me
Shake appeal
Move so fast to see Move so fast
Move so fast
Poor little misery I say, shake appeal
He's so hot and low
Shake appeal
He's so hot and low Hot and low, baby, hot and low
Memory you gotta go
Memory you gotta go Memory you gotta go
Baby, baby, got to go
Gotta go
Baby, baby, gotta go Say, shake appeal
Baby fits so tight
Shake appeal
Baby with your fists so tight Fists so tied
Fists so tied
Baby, baby, gotta fight I realize ya gotta fight
Realize ya gotta fight
Baby, gotta have a fight Gotta fight
Baby gotta have a fight Shake appeal
Sex appeal
Sex appeal
I say, sex appeal
