The End

Little Mix

Jesy:
I can't keep breaking
Oh, with you
You messed with my heart, babe
Now it's black and blueBut love isn't fair
And I swear
That this timeAll:
This is the endJade:
And I can't keep lying
Lying to myself
Ooh I'm thinking you love me right
But you never willIt's too much to bear (Too much to bear)
So I swear (This time I swear)
That this time
This is the end (I mean it baby)Leigh:
OohAll:
Said I'm gonna leave but I'm never leaving
Now I know that I really don't need you
Had your fun
Now the party's doneAnd you're back on the floor as I walk out the door
Boy, we're throughAll the tears I cried
All the lonely nights
Boy, I lost my mind
But now I'm sureJade:
Yeah I'm sure, now I'm sureLeigh:
You can say all you want, but love isn't here any morePerrie:
And I won't be missing, missing you
And no one can love you
The way I used to doBut love isn't fair (Love isn't fair)
And I swear (This time I swear)
That this time
This is the endJesy:
I promise babyLeigh:
This is the endJade:
You know it's the endPerrie:
Woah this is the end
