Yo, Kyla what's up
You think I can get your phone numberMan, I don't know I just met youHey, I'm not tryin' to say anything
I think we might just have a lot in commonOk, well maybe we can be friends and then maybeOk, so what if I give you my number, is that alright?Ok, but it doesn't mean I'm gonna call you, maybe I'll see
you aroundKyla don't be afraid
I'm just looking for conversation
Hey girl don't even trip it's a friendship that you're facin'Well I have a lot of friends
And I've known them for a while
Plus you're comin' on so strong and that's really not my styleDon't get ahead of yourselfSo watcha thinkin' aboutYo, Well maybe we can just talkWell aint we talkin' right nowI know we talking; right now
But what we talking' about

If your lucky then I'll call
But never do forget what you see is what you getI know you're not that average chick with that average trip
I'm just talking bout maybe we could just be catchin' a flick
But ok go ahead girl and take your time but definitely keep in mind
I'm not your average guyCoz baby I'm
Not your ordinary
Girl from down the street
Always busy working got to stay on track
Got to watch my back from distractions
And I'm the kind of lady
That stays on top of all things
Cant let nothin' faze me
That's the way it is coz that's how I liveHey well look I'm not tryin to be part of like your daily routine or anythin'Well that's good I wasn't gonna make you part of nothin' anywayGo ahead do your thing I'm go nowWell let me get that number just in case you don't wonderBoy you really wont quit and you're kinda kuletWell I think you're kinda cute
And I'm diggin' that attitude
Come on let me get that number
I'll be the one callin' youOk get your phone and save this number 7767874K-Y-L-A alright I got it now its storedCoz baby I'm
Not your ordinary
Girl from down the street
Always busy working got to stay on track
Got to watch my back from distractions
And I'm the kind of lady
That stays on top of all things
Cant let nothin' faze me

That's the way it is coz that's how I liveThere are a couple things
I want you to understand
I don't like those kind of people who pretend (you know I'm keepin' it real)
You gotta keep it real (I wont be wastin' your time)
You gotta keep it true
(I'll always be true to you)
I'm not your ordinary girl
(your not the ordinary type)Coz baby I'm
Not your ordinary
Girl from down the street
Always busy working got to stay on track
Got to watch my back from distractions
And I'm the kind of lady
That stays on top of all things
Cant let nothin' faze me
That's the way it is coz that's how I liveI know your not the ordinary that's what I like about you
I think that you should definitely think of me
Coz I'm real as real can be
